

Computer Scientist

Dhrumil Patel

Self - Exploration

Mission Statement

Long Term Goals

- Prestigious University
- Acquire a job at a well-known software company
- Get a Doctor of Philosophy Degree (Ph. D)

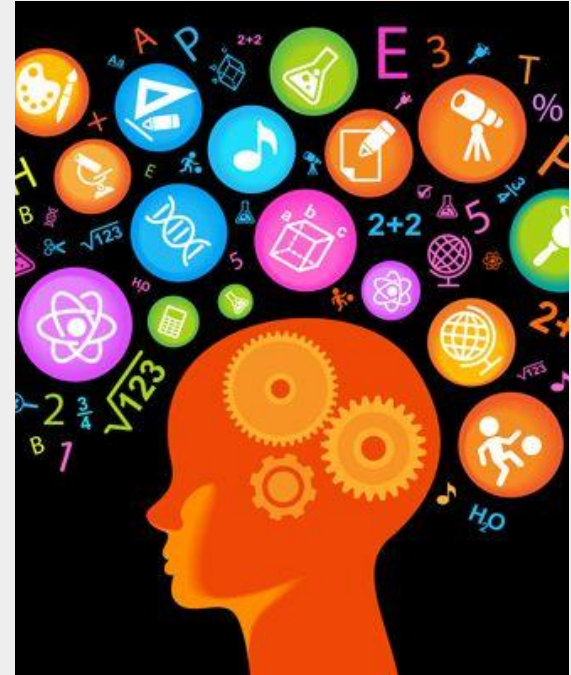

Multiple Intelligences

Logical / Mathematical

Verbal / Linguistic

Visual / Spatial

Logical / Mathematical

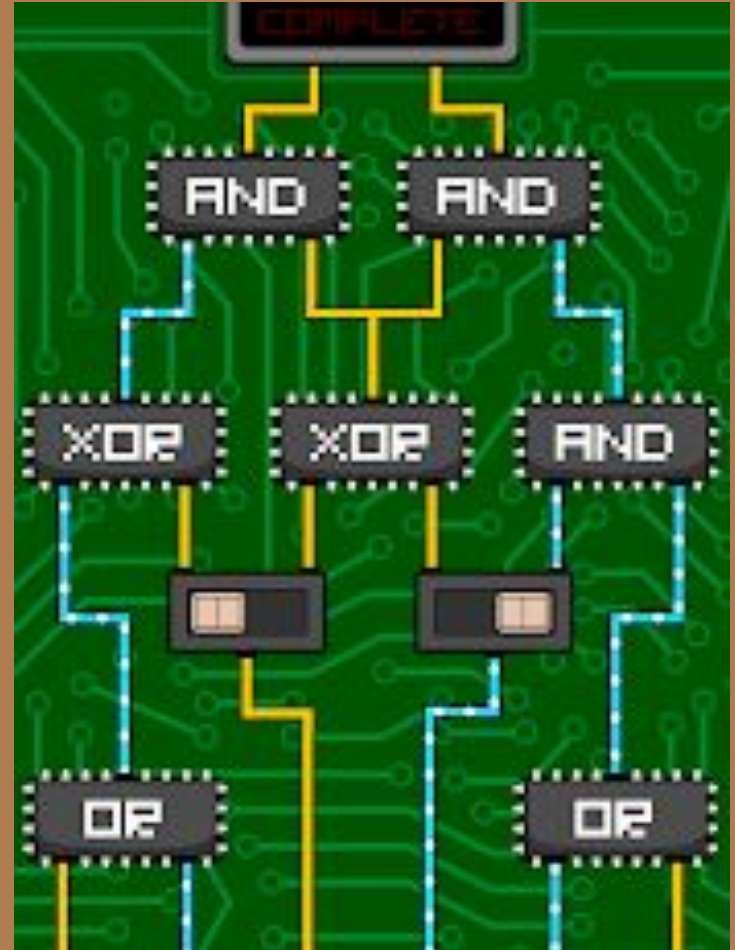

Ability to use reason, logic, and numbers

- Think conceptually in logical and numerical patterns
- Always curious about the world around them
- Ask lots of questions and like to do experiments
- Handling mathematical problems

Logical / Mathematical

- Scientists
- Engineers
- Computer Programmers
- Computer Scientist
- Researchers
- Accountants
- Mathematicians

Verbal / Linguistic

*Ability to use words and
language*

- Developed auditory skills
- Generally elegant speakers
- Use language to present ideas
-

Verbal / Linguistic

- Critic
- Journalist
- Writer
- Teacher
- Lawyer
- Politician
- Translator
- Speech Pathologist

Visual / Spatial

Ability to perceive the visual

- Tend to think in pictures
- Use mental images to remember info.
- Enjoy looking at maps, charts, pictures, videos, and movies
